Improving attendance continues to be a priority for our school.
Thank you to those parents/carers who make sure that your children come to school on time, everyday unless they are too ill to do so.

Eggstravaganza!

Thank you to everyone who entered our annual egg competition.

Here are just a few of the wonderful entries.

Be Safe, Be Kind, Be The Best That You Can Be Early Years and Primary Learning

In Reception we have been practising our drawing skills. We created a giant picture all together.

Class 1 learned about about Christianity and The Easter Story. We made some very tasty hot cross buns.

In Class 2, we have been writing an information sheet about the Great Fire of London. Our success criteria included us using headings, subheadings and paragraphs as well as ensuring that we were writing in the past tense. We have also been learning all about Easter in religious education. We learnt about why Christians have hot cross buns and share Easter eggs with each other around the Easter holidays and even got to try some ourselves! We also learnt all about the Easter story of Jesus coming back to life after the crucifixion.

This week, Class 3 went on a History trip to Fulham Palace, where we learnt all about the Romans. We loved seeing the palace and learning all about the Roman way of life. We even got to dress up!

Class 4 also went to Fulham Palace to learn more about the Romans. We explored different artefacts and dressed up as Romans to help bring our learning to life. We had an amazing time.

Class 5 have had such an exciting week! The wonderful team from Bikeability were with the children each day, helping them to learn how to ride a bike safely in an urban setting. For some children, it was the very first time that they had ever ridden a bike and, for others, the first time that they had been taught how to cycle on a road. All children gained in confidence and should be very proud of their efforts. Bravo Year 5!

Class 6 have been doing some wonderful writing this week. Through a picture study we have been writing a narrative. We studied the setting and characters in the picture and used sensory descriptions of the sights, sounds and smells to create the atmosphere. By using figurative language and powerful vocabulary we were able to 'paint a picture' of the scene for our readers.
