Class 2

In Class 2, we have started our topic of 'Animals, including humans' in science. This week, we looked at what humans need to survive. We also compared what the human body 'wants' and 'needs'.

In English we have been planning to write our own stories about the Mr Men character, Mr Worry. We have been ensuring that our story has a title and that we are writing in paragraphs throughout.

Furthermore, in mathematics we have been learning all about place value, in particular, using Diene blocks to identify the tens and ones in two-digit numbers and writing addition calculations in a variety of ways to represent these numbers.
