

October 2023

Nursery

This week, Nursery have been 'Going on a Bear Hunt'. We read the book together and then used drums and actions to say the story. We used props and different materials to retell the story, walking our characters through swishy grass, 'sploshy' water and thick, oozy mud. Also this week, we have been learning to recognise our names, continuing to practice our colours and our numbers to ten. Such a busy week in Nursery.
