

December 2023

Class 2

This week in Class 2, we read our stories of 'The Tale of Peter Rabbit' to the children in Class 1. We got into pairs and after we had read our stories, we asked them questions. We also finished our history topic on 'Famous Victorians' this week by learning about Isambard Kingdom Brunel and his great achievements as an engineer. We learnt about the impact this had on the people in Britain at the time and how his inventions have improved our lives today.
