Class 2

In Class 2 this week, the children have been learning to write an information text on the Great Fire of London in English. They have been bringing together all their prior knowledge from history to write paragraphs about how the fire started, how it spread and how they put the fire out to inform others. In history this week, the children were learning to design their own Tudor house. They drew and labelled their designs and also identified the equipment they would need to make their design come to life.
