Class 2

Last week in Class Two, we went on an exciting trip to The Monument which linked to our Autumn 2 topic in history about the Great Fire of London. There, we walked up 311 steps to the top where we could see wonderful views of London and some landmarks such as Tower Bridge and the River Thames. Following this, we went to Pudding Lane where the bakery was that started the Great Fire of London. Then, we walked to St Pauls Cathedral which was burnt down in the Great Fire and was redesigned by Sir Christopher Wren. This week, we recreated the scene of the Great Fire of London at school by burning down our Tudor houses outside that we had made with a partner. We made sure that all our houses were close together, just like they were back in 1666.
