Class 2

This week in Class 2, we finished our topic of time in Maths. Following this, we started our new topic on statistics, where we have been learning about making tally charts and interpreting data in tables.

In English, we have started our non-chronological report based on The Gambia, relating to our English text "Amazing Grace" and our Geography text "Grace and Family." Before beginning their writing, the children researched The Gambia on the internet to gain a better understanding of the country and to discover some interesting facts about it.
