Class 6

This week, in English, Class 6 have been writing their own narrative based on the poem Spider and the Fly by Mary Howitt. The poem was first published in 1829 but the message is still important today. They are using figurative language and adventurous vocabulary to build suspense and dialogue to portray the characters thoughts and feelings. They are hoping to share their stories with their shared learning partners when they have finished. I'm sure they will love them!
